Subject: [External] UPDATED NOTICE: Pay.gov Production Update - Saturday. January 7, 2017 from 6:00 – 7:00pm ET
Date: Thursday, January 05, 2017 4:41:59 PM

Agencies and their partners are notified Pay.gov will deploy an update to Production on Saturday. January 7, 2017 from 6:00 – 7:00pm ET. **UPDATE:** There will be a TOTAL service interruption to the Pay.gov and Agency Reporting websites as well as ALL transaction services during this period. We apologize for the inaccurate prior notice.

The following adjustments will be incorporated into the update:

- Transaction Search will properly display the transaction type of "Refund"
- Transaction Search will provide the capability to search by Approval Code
- Transaction Search results will display the time stamp as part of the Transaction Date results
- Collection Voucher Report will exclude prenotes
- Financial Summary Report will display the correct number of transactions for ACH Debit Count
- Time specific searches and results will be based on Eastern Time (ET) for all Reports
- Enhanced message to indicate a data request is too large and search criteria must be narrowed
