Subject NOTICE: Release schedule for Pay.gov 4.3.2 and Pay.gov 4.3.3

We will be deploying two Pay.gov releases, Pay.gov 4.3.2 and 4.3.3, in rapid succession during August and September; the deployment schedule for these releases is detailed below.

### **Pay.gov 4.3.2**

Pay.gov 4.3.2 includes several performance-related changes which will allow Pay.gov to handle increasing transaction volumes more efficiently. These changes will be transparent to Pay.gov agencies and customers. As always, we encourage agencies to conduct testing whenever a new release is deployed.

This release will be available in the agency testing environment (<https://qa.pay.gov/>) on August 4 at approximately 4:00 P.M. Eastern Time for all agencies to conduct testing.

Pay.gov 4.3.2 will be deployed to the production environment during the normal maintenance window on Sunday, August 30, between 2:00 A.M. and 6:00 A.M. Eastern Time. Agencies may experience service interruptions during this period.

### **Pay.gov 4.3.3**

Pay.gov 4.3.3 allows agencies to configure applications which use forms, bills, or the interactive Open Collections Interface (OCI) to accept ACH payments from general ledger accounts; it also includes a number of performance enhancements to OCI. These changes will be transparent to Pay.gov agencies and customers.

This release will be available in the agency testing environment (<https://qa.pay.gov/>) on September 8 at approximately 4:00 P.M. Eastern Time for all agencies to conduct testing.

Pay.gov 4.3.3 will be deployed to the production environment during the normal maintenance window on Sunday, September 13, between 2:00 A.M. and 6:00 A.M. Eastern Time. Agencies may experience service interruptions during this period.
