

 SAVE THE
MUSTANGS

They embody grace,
beauty and strength.
But they need
your help.

Help us preserve the legend!

Ford Motor Company, the Bureau of Land Management and Take Pride in America invite you to help ensure the sustainability of the wild horses that represent the spirit of the West by contributing to the "Save the Mustangs" fund.

There is no better time to help the wild mustangs than right now. With your donation, you can join Ford Motor Company in placing and sustaining wild horses in new, loving homes with non-profit equine rescue groups. Your financial commitment will help provide feeding, grooming and long-term care so the wild horses will enjoy a healthy life in their new homes.

Donations to the "Save the Mustangs" fund will be administered by the Take Pride in America program, a component of the U.S. Department of the Interior. Upon receipt of your donation, Take Pride in America will mail you a letter confirming the date and amount of the donation, which may be used for tax purposes.

To begin the online donation process, enter a dollar amount and click on the "Donate" button below.

To donate by mail, make check or money order payable to the "Save the Mustangs Fund." Please do not send cash. Allow up to two weeks for processing.
