Inter-American Foundation

The Inter-American Foundation (IAF) provides development assistance directly to the organized poor in Latin America and the Caribbean in order to help communities thrive. The IAF does this by responding with grant support for the most creative ideas for self-help received from grassroots groups and nongovernmental organizations across the region. By making this generous gift to the IAF, you'll join us in our commitment to help communities thrive. Thank you.

All donations are tax deductible under 170(c) of the U.S. Internal Revenue Code, in accordance with IRS regulations. This is comparable to donations to a 501(c)(3) organization. Please keep a copy of your receipt for your personal tax records.
